Country of origin

Italy

Features

Confection tips

Fabrics can be turned for continous confection with visual aspect change

4 variations

1. A dense grid of small, light-colored characters, possibly representing a highly compressed or encrypted message.

2. A dense grid of small, light-colored characters, similar to the first variation, but with a slightly different layout or content.

3. A dense grid of small, light-colored characters, continuing the pattern of the previous variations.

4. A dense grid of small, light-colored characters, completing the set of four variations.
